Basis for Assessment

1. A blended rate for municipal payroll will be used and there is no need to breakout by class.
2. Payroll must be broken out between employers which are school districts and all other municipal employers.
3. Total gross quarterly payroll associated with either the school district and/or all other types of municipal self-insurers.
4. The loss cost per hundred dollars of payroll for municipal employers and school districts is set annually by the Chair. The rates are shown on the *Quarterly Unified Employer Assessment Municipal Self-Insurers Remittance Form (Form GA-4)*.
5. The total loss cost is determined by multiplying the payroll by the loss cost shown and dividing by \$100.
6. Subtotal of payroll reported on the *Quarterly Unified Employer Assessment Municipal Self-Insurers Remittance Form (Form GA-4)*.
7. Excluded payroll not subject to assessment.
8. With limited exception, total payroll should agree with that reported on the *Quarterly Combined Withholding, Wage Reporting and Unemployment Insurance Return (NYS-45)*; specifically, Part C – Employee wage and withholding information. If total quarterly payroll does not agree with *NYS-45*, please provide reconciliation in your email. No payroll caps are to be applied. Please note that Part C typically is an electronic upload filed separately and therefore may not have a dollar figure shown on the form.
9. Equal to the sum of all of the loss cost by payroll class shown.
10. The assessment rate for the rating period established by the Chair pursuant to WCL Section 151. This can be found on the New York State Workers' Compensation Board's website – www.wcb.ny.gov.
11. The total assessment due is equal to the total loss cost multiplied by the assessment rate.

Certification

In accordance with WCL Section 151, the Chair may conduct periodic audits of any self-insurer on any information relevant to the payment or calculation of assessments. If a self-insurer underpays an assessment as a result of inaccurate reporting, the self-insurer shall pay the full amount of the underpaid assessment along with interest at the rate of 9% per annum. Further, “in the event that it is determined that the payer knew or should have known that the reported information was inaccurate,” an additional penalty of up to 20% may be imposed. The failure of a self-insurer to timely remit assessment payments and required reports shall constitute good cause for revocation of self-insured status and interest charges. An employer that knowingly makes a material misrepresentation of information required for the purposes of assessments shall be guilty of a class E felony.
