THE GOVERNOR'S PROGRAM TO HIRE INDIVIDUALS AND VETERANS WITH DISABILITIES

The 55-b/c Program is a coordinated effort initiated by the governor to place individuals and veterans with disabilities in entry-level State jobs.

The 55-b program allows for up to 1,700 positions normally filled through competitive examination to be filled through the appointment of qualified persons with disabilities.

55-c authorizes the designation of up to 500 positions in the non-competitive class to be filled by qualified veterans with disabilities.

In general, an entry-level position that is filled only through an open-competitive examination (one open to the public) may be used for a 55-b/c appointment.

No initial written examination is required. To qualify for either program, you must first submit a formal application. A medical evaluation may be necessary for program certification.

To apply for the 55-b/c Program, you must submit a completed application, Physicians Questionnaire (Form DPM-60) and current resume to: SSDRecruitServices@cs.ny.gov
