Mr. Robert E. Beloten
Chairman
New York State Worker's Compensation Board

Dear Mr. Beloten:

Enclosed please find the certification letter and schedules on revised hospital reimbursement rates for services rendered to patients covered under the Workers' Compensation Benefit Law, the Volunteer Ambulance Workers' Benefit Law and the Comprehensive Motor Vehicle Reparation Act for the period December 1, 2009 through December 31, 2009 as well as initial rates for the period January 1, 2010 through March 31, 2010. Rates of payment for inpatient services for these payors is to be based upon rates determined for state governmental agencies (Medicaid) in accordance with Article 2807-c(b-1) of the Public Health Law.

The formula on which these rates are based was promulgated in accordance with Article 28 of the Public Health Law as recently amended by Chapter 58 of the Laws of 2009 (Respective sections attached). With the enactment of these amendments the methodology and base year used to establish Medicaid rates has been changed significantly.

The revised rates for the period December 1, 2009 through December 31, 2009 reflect the correction to some facilities rates due to updated data provided by those hospitals. However a majority of the rate components, previously provided have not changed. The initial rates for the period January 1, 2010 through March 31, 2010 reflect the corrections noted, but also reflect the implementation of budgeted 2010 capital in accordance with subdivision 10 of Article 2807-C of the Public Health Law.
